

SEA announces the opening of office in Madrid, Spain

New York- January 7th, 2008- Software Engineering of America, Inc., a leading provider of data center software solutions, has announced the expansion of its offices in Europe to Madrid, Spain.

SEA's new office in Madrid will complement the already established office in Germany and give SEA an enhanced presence in Europe. The two offices will work side by side in expanding SEA's customer base throughout Europe as well continuing to provide technical support to existing customers.

SEA's Madrid office will open as of January 1st, 2009, and will be managed by Mr. Jose Novo and Mr. Tito Boente who bring a combined 40+ years of experience in data centers and enterprise sales to SEA.

SEA's Madrid Office will be located at:
